

# Jackson Health System Our Professional Practice Model Rooted in Jean Watson's Theory of Human Caring

**Compassion:** We care for our patients, families, and each other with empathy and kindness.

**Accountability:** We own our practice outcomes

**Respect:** We honor the dignity and diversity of all

**Expertise** We advance our knowledge and skills continuously

## Bringing the Model to Life - Every Day!

### In Practice

**Compassion:** I connect with patients as people.

**Accountability:** I speak up for safety.

**Respect:** I listen with empathy.

**Expertise:** I stay current with practices.

### Reflection:

Which value speaks to you most today?
